

# Anthony's Alligators

## KINDERGARTEN, TRACK 3

We are so excited to have your child in our kindergarten class! By working together, we will make this a successful and fun year.  
Welcome to Durant!

### Communication

Every day your child will bring home a green folder. In this folder will be a calendar letting you know how their day was. If they had a great day at school they will get a sticker. If they had trouble during the day I will write a note describing why they lost their daily sticker. Please initial your child's folder each night. This lets me know you have seen it. I will also list upcoming events for the month on the calendar. If you have any lunch money for your child or notes for me, simply put them inside the plastic pouch inside the folder and I will be sure to see them when your child arrives. I will also send home a blue "Monday folder" each Monday. Please go over the work your child completed and return it each Tuesday.

### Specials

We will attend 5 specials this year: art, PE, music, STEM, and media. Check each time we track in to see what day we have PE so your child can wear tennis shoes.

### Staggered Entry

The first 5 days of school (July 9 - 13) are for staggered entrance. Your child will only attend school one of the first five days of school. Everyone will come to school starting Monday, July 16<sup>th</sup>. This allows us some time to get to know your child a little better in a small group setting before all of the children arrive. After a few days, please allow your child to walk to our classroom independently in the mornings.
